How to use your plan

Find a doctor in your plan

The right doctor can make all the difference – and choosing one in your plan can save you money, too. So you'll be happy to know your plan includes lots of top-notch doctors. If you decide to get care from doctors outside the plan, it'll cost you more and your care might not be covered at all.

It's easy to find a doctor in your plan. Simply use the **Find a Doctor** tool on the **Sydney Health** mobile app or at **anthem.com** to search for doctors, hospitals, labs and other health care professionals.

Schedule a checkup

Preventive care, like regular checkups and screenings, can help you avoid health problems down the road. Your plan covers these services at little or no extra cost when you see a doctor in your plan:

- Yearly physicals
- Well-child visits
- Flu shot
- Routine shots
- Screenings and tests

Check your plan details on the **Sydney Health** mobile app or **anthem.com** to confirm what preventive care is covered.

The ins and outs of coverage

Knowing that you have health care coverage that meets your and your family's needs is reassuring.

But part of your decision in choosing a plan also means you need to understand:

- Who can enroll
- How you and your employer handle coverage changes
- What's not covered by your plan
- How your coverage works with other health plans you might have

Who can be enrolled

You can choose coverage for just you. Or, you can have coverage for your family, including you and any of the following family members:

- Your spouse
- Your children age 26 or younger, including:
 - A newborn, natural child or a child placed with you for adoption
 - A stepchild
 - Any other child for whom you have legal guardianship

Coverage will end on the last day of the month in which they turn 26.

Some children have mental or physical challenges that prevent them from living independently. The dependent age limit does not apply to these enrolled children as long as these challenges were present before they turned 26.

The ins and outs of coverage

1. At the employer level, which affects you and other employees covered by an employer's plan, your plan can be:

Renewed	Canceled	Changed	When
●			Your employer: <ul style="list-style-type: none"> Keeps its status as an employer. Stays in our service area. Meets our guidelines for employee participation and premium contribution. Pays the required health care premiums. Doesn't commit fraud or misrepresent itself.
	●		Your employer: <ul style="list-style-type: none"> Makes a bad payment. Voluntarily cancels coverage (30-days advance written notice required). Is unable (after being given at least a 30-day notice) to meet eligibility requirements to maintain a group plan. Still does not pay the required health care premium (after being given a 31-day grace period and at least a 15-day notice).
	●		<ul style="list-style-type: none"> We decide to no longer offer the specific plan chosen by your employer (you'll get a 90-day advance notice). We decide to no longer offer any coverage in Virginia (you'll get a 180-day advance notice).
		●	You and your employer received a 30-day advance written notice that the coverage was being changed (services were added to your plan or the copays were lowered). Copays can be increased or services can be decreased only when it is time for your group to renew its coverage.

2. At the individual level, which affects you and covered family members, your plan can be:

Renewed	Canceled	When you
●		<ul style="list-style-type: none"> Stay eligible for your employer's coverage. Pay your share of the monthly payment (premium) for coverage. Don't commit fraud or misrepresent yourself.
	●	Give wrong information on purpose about yourself or your dependents when you enroll. Cancellation is effective immediately.
	●	<ul style="list-style-type: none"> Lose your eligibility for coverage. Don't make required payments or make bad payments. Commit fraud. Are guilty of gross misbehavior. Don't cooperate if we ask you to pay us back for benefits that were overpaid (coordination of benefits recoveries). Let others use your ID card. Use another member's ID card. File false claims with us. Your coverage will be canceled after you receive a written notice from us.

Special enrollment periods

In most cases, you're only allowed to enroll in your employer's health plan during certain eligibility periods, such as when it's first offered to you as a "new hire" or during your employer's open enrollment period, when employees can make changes to their benefits for an upcoming year.

But there can be other times when you may be eligible to enroll. For example, let's say the first time you were offered coverage, you stated in writing that you didn't want to enroll yourself, your spouse or your covered dependents because you had coverage through another carrier or group health plan. If you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage) you may be able to enroll your family later. But you must ask to be enrolled within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Also, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

Finally, a special enrollment period of 60 days will be allowed if:

- Your or your dependents' coverage under Medicaid or the State Children's Health Insurance Program (SCHIP) is terminated as a result of a loss of eligibility.
- You or your dependents become eligible for premium assistance under a state Medicaid or SCHIP plan.

To request special enrollment or get more information, contact your employer.

When you're covered by more than one plan

If you're covered by two different group health plans, one is considered primary and the other is considered secondary. The primary plan is the first to pay a claim and reimburse according to plan allowances. The secondary plan then reimburses, usually covering the remaining allowable costs.

How benefits apply if you're eligible for Medicare

Some people under age 65 are eligible for Medicare in addition to any other coverage they may have. The following chart shows how payment is coordinated under various scenarios:

When a person is covered by Medicare and a group plan, and	Then	Your plan is primary	Medicare is primary
Is qualified for Medicare coverage due solely to end-stage renal disease (ESRD-kidney failure)	During the 30-month Medicare entitlement period	●

Recovering overpayments

If health care benefits are overpaid by mistake, we will ask for reimbursement for the overpayment. This is referred to as "coordination of benefits recoveries." We appreciate your help in the recovery process. We reserve the right to recover any overpayment from:

- Any person to or for whom the overpayments were made
- Any health care company
- Any other organization

The legal stuff we're required to tell you

How we keep your information safe and secure

As a member, you have the right to expect us to protect your personal health information. We take this responsibility very seriously, following all state and federal laws, as well as our own policies.

You also have certain rights and responsibilities when receiving your health care. To learn more about how we protect your privacy, your rights and responsibilities when receiving health care, and your rights under the Women's Health and Cancer Rights Act, go to [anthem.com/privacy](https://www.anthem.com/privacy). For a printed copy, please contact your Benefits Administrator or Human Resources representative.

How we help manage your care

To see if your health benefits will cover a treatment, procedure, hospital stay or medicine, we use a process called utilization management (UM). Our UM team is made up of doctors and pharmacists who want to be sure you get the best treatments for certain health conditions. They review the information your doctor sends us before, during or after your treatment. We also use case managers. They're licensed health care professionals who work with you and your doctor to help you manage your health conditions. They also help you better understand your health benefits.

To learn more about how we help manage your care, go to [anthem.com/memberrights](https://www.anthem.com/memberrights). To request a printed copy, please contact your Benefits Administrator or Human Resources representative.

Special enrollment rights

Open enrollment usually happens once a year. That's the time you can choose a plan, enroll in it or make changes to it. If you choose not to enroll, there are special cases when you're allowed to enroll during other times of the year.

Get the full details

Read your **Certificate of Coverage**, which spells out all the details about your plan. You can find one [anthem.com](https://www.anthem.com).

- **If you had another health plan that was canceled.** If you, your dependents or your spouse are no longer eligible for benefits with another health plan (or if the employer stops contributing to that health plan), you may be able to enroll with us. You must enroll within 31 days after the other health plan ends (or after the employer stops paying for the plan). For example: You and your family are enrolled through your spouse's health plan at work. Your spouse's employer stops paying for health coverage. In this case, you and your spouse, as well as other dependents, may be able to enroll in one of our plans.
- **If you have a new dependent.** You gain new dependents from a life event like marriage, birth, adoption or if you have custody of a minor and an adoption is pending. You must enroll within 31 days after the event. For example: If you got married, your new spouse and any new children may be able to enroll in a plan.
- **If your eligibility for Medicaid or SCHIP changes.** You have a special period of 60 days to enroll after:
 - You (or your eligible dependents) lose Medicaid or the State Children's Health Insurance Program (SCHIP) benefits because you're no longer eligible.
 - You (or eligible dependents) become eligible to get help from Medicaid or SCHIP for paying part of the cost of a health plan with us.
